Coming Out and Coming Home: Documenting the Voices of Queer Japanese Americans

Saturday 26 September, 2:00 PM - 3:30 PM

Hosted by Japanese American National Museum

The Japanese American community has not always broadly welcomed gay, transgender, and queer Nikkei people. It took courage for LGBTQ+ Nikkei to

live openly and with integrity in decades past. Hear from four LGBTQ+ Japanese Americans who are forerunners of making Nikkei communities more accepting: Melvin Fujikawa, Gary Hayashi, Bill Tashima, and Mia Yamamoto.

This program is presented in partnership with Okaeri and Visual Communications.

RSVPs are required using the ticket link. You will be emailed links and instructions to join the conversation on Zoom. Contact publicprograms@janm.org if you have any additional questions or specific access concerns.

Tom of Finland Emerging Artist Competition
Deadline (extended): 31 October, 2020

The purpose of this contest is twofold: to encourage artists to share their erotic work and to elevate the field of erotic art by rewarding some of the best current examples. The contest is open to any artist with the exception of previous winners of this contest, or artists who are already selling erotic work commercially. All others are eligible: advertising designers, art students, or just midnight doodlers – anyone who creates erotic works of art.
