Poetry of Resilience

A 6-week Journey Beginning Online June 4, 2021

With Danusha Laméris and James Crews

In this six-week series, James and Danusha will look at poetry as a tool for living a better life, a practice of seeing. We'll read poems, discuss craft and technique with some of their, (and all of our!), favorite poets. They will also talk about writing as ritual, as mindfulness practice. A way to center on gratitude and hope, and as a cornerstone of resilience during these difficult and trying times. Open to poets and poetry lovers, alike!
